Tuesday 17<sup>th</sup> December 2019

Dear Parents/Guardians,

Welcome to Year 4 for 2020. I am looking forward to working with you and your child and hope that the year ahead is positive and fulfilling.

## **Specialist Classes**

Students will participate in Music, PE, Library and Japanese; you will be notified of the days and times of these lessons at the beginning of the school year. Please ensure your child brings a **library bag on the designated library day**. Please provide an **art smock** for activities that might be messy.

## **Diaries**

Diaries continue to be an effective method of home-school communication. Please bring diaries every day and there is a school-wide expectation that diaries are sighted and signed daily. Diaries will be sent home on the first day of school next year.

## **Stationery**

- Please cover and label your child's books clearly with his or her name. Subject names for each book will be labelled at school.
- Please place **one** of each of the following stationery items (clearly labelled) into your child's pencil case: pencil, red pen, glue-stick, eraser, scissors.
- Please bring along all other stationery items (clearly named) to school in a clearly labelled snap lock bag for access when required.

Thank you in anticipation of your support; I look forward to developing a positive working relationship with families in 2019.

Regards,

Megan Meech
